The image shows a screenshot of an Autodesk software activation window. A semi-transparent crack keygen application is overlaid on top. The keygen has a dark theme with purple and black colors and features the text 'X-FORCE' at the top. It displays a 'Request' code and an 'Activation' code. Below these codes are three buttons: 'Patch', 'Generate', and 'Quit'. A red arrow points from the 'Generate' button to the 'I have an activation code from Autodesk' radio button in the main window. A blue arrow points from the 'Generate' button to the 'Request' code field in the keygen. The main window shows the following information:

Product: Autodesk AutoCAD 2016
Serial Number: 666-69696969
Product Key: 001H1
Request code: 0XWL 8UGS UPW8 8R7P FACC KK4F NH3J YLCZ

To activate your Autodesk AutoCAD 2016 license immediately, please select "Connect now and activate!" again. If you still experience problems during activation, and if you requested and received an activation code from Autodesk, select "I have an activation code from Autodesk".
